Auctioneers Note: The Millers have made the decision to retire after 40 years, so we will offer the above items at auction. At the time of printing, the Millers were in the hospital due to health issues, therefore this is a very brief listing. We anticipate a large auction with 2 auction rings part of the time. Lots of items that you would typically find at a cabinet shop and farm retirement auction!!

Loader and personnel available day of auction so bring your trailers. Make plans to attend! Thanks, Randy
